Important notes related to enrolling students in different majors in College of Arts & Sciences:

- 1) How to apply: Applications must be submitted online. Students will receive an email with the link to the application form.
- 2) Admission is extremely competitive; and satisfying the minimum requirements does not guarantee admission into the major.
- 3) Science foundation students not willing to complete FP can apply to *General Arts*.
- 4) Final decision for students, who are accepted/rejected, will be sent via email.
