

SESSION II 10:45 - 11:45

NURTURING AND CULTIVATING COLLABORATION FOR INNOVATION & CAPACITY BUILDING

The main theme of this session is how QU and the industry team-up their research capacity and effort for their mutual benefit and that of the country. Assessing what have been achieved and looking forward.

Each panelist gives a 3-5 min (15 min) opening statement followed by 35 min panel discussion.

MODERATOR: Dr. Bhanu Pratap Chowdhary, AVP for Research & Strategic Initiatives
